

POSTER GUIDELINES

1. The poster sessions are in the “Jubileumzaal”
2. The poster board is self-standing. The **actual space** where you may place your poster is 2m high x1m wide (78.7inches x 39.4inches). A0 size for the poster is recommended (height: 1189mm, width: 841mm)
3. Double-sided tape **is not** allowed. Please use invisible Scotch tape
4. The numbers corresponding to your poster are listed on the website and in the program guide. Each board will have its number indicated, you do not have to put it on your poster.
5. There are two poster sessions: Session 1 on Wednesday 16:30-18:30 and Session 2 on Thursday 16:15-18:15. The authors of the *odd* numbered posters are asked to present their poster in Session 1, in Session 2 the *even* numbered ones will be presented.
 - **All posters** should be put on the boards **before session 1** and will be visible during both sessions.
 - Do not remove your poster before the end of session 2.
 - Poster can be left on the boards until the end of the conference.
